Paragraph 15

For the existing text of paragraph 15 substitute

15. The Draft Master Plan for the Environmental Management of the Lake Chad Basin was considered at a meeting of the ministers of the environment of the basin States, held in Abuja, Nigeria, from 15 to 21 November 1990. At the meeting, the ministers welcomed the draft and introduced several modifications. A new ministerial meeting will be convened to review the revised version before submitting it to a summit of heads of state before the end of 1991. Preparatory work for other international action plans is under way in Latin America and the Caribbean, and Africa.
